

# Four Days ARDF at Bulgarian Black Sea Coast

14-17 JUNE 2012

## BULLETIN – 2 (23.04.2012)

The "Four Days" event will be held for third consecutive year and we strongly believe it is now part of the other national teams' events calendar. In 2011 over 200 competitors from 8 countries took part in the event. Again the "Four Days" will combine the demonstration of ARDF skills with the beginning of the tourist season at a perfect sea resort. Primorsko with its facilities is well known from the World ARDF Championship 2006 and the Youth Championship 2011. The competition will be '*Individual classification only*' event with **unlimited number of participants in all categories (youth and adults)**. In 2012 the terrains will be completely different from these used in 2011 (for Youth Championship and the Four Days event).

### Organizer of the event:

Bulgarian Federation of Radioamateurs (BFRA)

### Venue for both events:

**Primorsko** - a small attractive town located on the Black sea coast, some 55 kilometers south-east of Bourgas.

### Awards:

Special medals and gifts for first three in each category according to the classification based on aggregate individual results from the 4 days runs. Winners of the each day and each category will be awarded certificates and gifts.

### Accommodation:
