

20th World ARDF Championships 2022

Borovets, Bulgaria

FINAL REPORT

20th World ARDF Championships hosted by BFRA were held in Borovets, Bulgaria from 28th of August to 3rd of September. Organized in difficult political times, with only two and a half months available for preparation, in our opinion, the Championships went very well and all participants were satisfied..

1. Participating teams

21 countries/societies took part in the championships, namely **Austria, Belarus, Bulgaria, Czech Republic, Estonia, Finland, France, Germany, Hungary, Kazakhstan, Lithuania, Moldova, Poland, Republic of Korea, Romania, Slovakia, Slovenia, Sweden, Switzerland, Ukraine and USA.**

Russia said early on that it would not send a team, this information was repeatedly disseminated, but despite this and despite the position of the IARU, traditionally participating countries refused to attend - Netherlands, Denmark, Norway, United Kingdom.

For various other reasons, Japan, China, Serbia - also traditional participants in recent years - did not participate, either.

During the awarding ceremony Ukrainian competitors refused to climb the ladder of honor twice, as Belarusian competitors were also present there.

2. Participating competitors

The numbers below include all participants in the respective discipline. According to the rules, each country can be represented in the different disciplines by different competitors:

- 80 m Classic: 132 men and 64 women, or total **196**;
- 2 m Classic: 132 men and 67 women, or total **199**;
- Sprint: 115 men and 59 women, or total **174**;
- Foxoring: 114 men and 58 women, or total **172**.

3. International Jury

Referees from Region 1 and Region 3 participated in the International Jury. IARU-Region 2 refused to send a member of the Jury. At the last moment, a member of the International Jury informed the organizers and the Jury that, unfortunately, he could not participate, as he fell ill with Covid-19. So, the Jury had to be in a reduced composition. Despite these problems International Jury was at very high level in its

actions. The Jury's final report sent by Lucien Vidal F4DKA, Chairman of the Jury is following.

The international jury was as follows:

Chairman of the Jury: Lucien Vidal, F4DKA, REF

Referee at the finish: Karl-Heinz Schade, DL7VDB, DARC

Referee at the start: Roussko Roussev, LZ1RT, BFRA

Referees in the competition area: Jiri Pavlu, OK1CHE, CRC

Jan Palmquist, SM5FUG, SSA

Choi Hyeong Moon, HL4CFN, KARL

Pavel Babeu, YO9TW, FRR

*Zeljko Belaj, 9A2QU, HRS **

Siting Referee: Viktor Tsenkov, LZ3NN, BFRA

Technical Director: Stoyan Topalov, LZ1STQ, BFRA

Secretary of the Jury: Ivan Kotev, LZ1IK, BFRA

** Zeljko Belaj, 9A2QU had the COVID and could not participate in the Jury.*

The Serbia SRS couldn't organize the Championships, but then, despite the extremely complicated international situation and the very short time, Bulgaria BFRA offered to organize the event with same dates and prices. Congratulations to the organizers for a job well done so fast.

Russia mentioned they would not attend the competitions.

The Organizers were in contact with the Chairman of the Jury when it was acted that Bulgaria would organize the championships. We worked together on preparation tasks. During the championships we were in permanent contact, and the necessary information came in time. The starting lists were issued on time. The starting intervals for each age group were according to the rules: 2 minutes for Sprint and Foxoring and 5 minutes for classics 3.5 and 144 MHz.

Bulletins provided all the necessary information and bulletin 4 was issued according to rules. During the training, the competitors and trainers could listen to the transmitters, which would be used during the races. Furthermore, for the teams that arrived late, the organizers provided additional time for training and testing equipment.

All Jury members fulfilled their duties and attended all Jury meetings the day prior to races and at the end of races, and preliminary results were issued.

Before the start of the 1st race two competitors asked to run "unofficially" because their teams were complete with 3 competitors. We could not access their request.

It's necessary to have maps waterproof.

The following is a brief summary of actions taken by the Jury for each competition:

***Sprint, one competitor was sure to have punched the "S" fox but nothing was store in her SI. After the race we verified the SI registering device and her chip number was in. No more complain have been submitted for this race.*

***Classic 1, the start was delayed twice because the fox 2 80m was not transmitting. The finish corridor was not clearly marked on both sides by uninterrupted tape. I'm not sure that all the foxes were recorded during the entire race.*

***Classic 2, too many vehicles close to the start area and a lot of "visitors" in the area. The finish corridor was clearly marked on both sides.*

***Foxoring, no complains or no comments have been submitted to the Jury. The "S" beacon was too much in the woods, to allow spectators to see the competitors running.*

The Jury had a meeting after each race and had no more comment to add from the start, finish or competition area so the preliminary results were printed.

In conclusion, I would like to thank everyone for the so prompt organization by BFRA and the work of the International Jury during the championships. It was a pleasure to work with all Jury members.

4. ARDF Working Group

The ARDF Working Group held a meeting at which the relevant decisions were taken. Reports on the preparation of the main competitions next year - the World Championships in Czech Republic and the World Youth Championships in Hungary - were heard and approved. With regard to the 2024 World Youth Championships, it was decided that this matter would be reviewed next year. 2025 Youth Championships were agreed to be held in Czech Republic. The 2025 World ARDF Championships will take place in Lithuania after approval by the WG.

Oliver Tabakowski, member of the EC of Region 1, announced that due to non-compliance with the decision of IARU-Region 1 not to take a position on current political issues, as well as the belief expressed by the EC of the responsibility of the Working Group for the withdrawal of the SRS as the organizer of the World ARDF Championships in 2022, by EC decision the Working Group Chair Jiri Marecek and Vice-Chair Kai Pastor were relieved of their positions and the Working Group will select interim holders of these positions until the IARU-Region 1 conference in autumn 2023

5. Maps, location of the transmitters and the list of the transmitters every age group should seek out

8. Final words

Finally, BFRA would like to express its gratitude to all present - competitors, team leaders, fans, referees (special thanks to Karl-Heinz Schade, who worked day and night), organizers, technical staff, assistants for their role and contribution. And BFRA remains proud to be a world record holder in the number of organized Region 1 and World Championships - already nine!

Viktor Tsenkov, LZ3NN
BFRA President

Panayot Danev, LZ1US
BFRA Secretary
